Political.—There are three candidates in the field who will endeavor to obtain the Conservative nomination for the mayorality.

For Erysipelas, Pimples, Blotches, &c. The contestants for the other municipal offices will be quite as numerous. It has not been agreed upon by the candidates whether they will have a primary election or a convention. It is thought, however, that there will be a primary election.

No Wrangle Expected.—It sppears that the Republican Readjusters and Republican Funders of this city will unite to nominate

a delegate to the State Convention, which meets at Staunton in April. At first it was thought that each party would send their own delegate, and that the Staunton Convention would not be recognized by the Reublican Funders. Now it seems on national politics they will unite, and will not wrangle over the State Convention.
